

Assembly Bill No. 343

CHAPTER 237

An act to add Chapter 11 (commencing with Section 49700) to Part 27 of Division 4 of Title 2 of the Education Code, relating to pupils.

[Approved by Governor October 11, 2009. Filed with
Secretary of State October 11, 2009.]

LEGISLATIVE COUNSEL'S DIGEST

AB 343, Saldana. Pupils: military families.

(1) Existing law authorizes a school district of choice, as defined, to give priority for attendance to children of military personnel, if the school district elected to accept transfer pupils by a resolution adopted by the governing board of the school district prior to April 1, 2005.

This bill would ratify the Interstate Compact on Educational Opportunity for Military Children to, among other things, facilitate the enrollment, placement, advancement, and transfer of the academic records of the children of military families for the purpose of removing barriers to their educational success due to the frequent moves and deployment of their parents. The compact would establish the Interstate Commission on Educational Opportunity for Military Children to provide for dispute resolution among member states, promulgate rules, and take other actions necessary for the administration of the compact. The compact would only become effective upon ratification by a minimum of 10 states.

The bill would authorize the Superintendent of Public Instruction to accept nonstate funding, to be available upon appropriation, to offset the cost of the annual assessment required by the charter.

The bill would require the Superintendent to reconvene a task force initially convened pursuant to a provision of existing law to review, and make recommendations regarding, the Interstate Compact on Educational Opportunity for Military Children. The bill would require this task force to be reconvened on or after July 1, 2012, and on or before September 1, 2012, and to issue a final report of findings and conclusions on prescribed topics to the appropriate policy and fiscal committees of both houses of the Legislature no later than December 1, 2012.

By requiring local educational agencies to perform additional duties regarding the children of military families, this bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Chapter 11 (commencing with Section 49700) is added to Part 27 of Division 4 of Title 2 of the Education Code, to read:

CHAPTER 11. INTERSTATE COMPACT ON EDUCATIONAL OPPORTUNITY
FOR MILITARY CHILDREN

49700. The Legislature finds and declares that the purpose of the Interstate Compact on Educational Opportunity for Military Children is to remove barriers to educational success imposed on children of military families due to the frequent moves and deployment of their parents by doing all of the following:

(a) Facilitating the timely enrollment of children of military families and ensuring that they are not placed at a disadvantage due to difficulty in the transfer of educational records from the previous school district or variations in entrance or age requirements.

(b) Facilitating the pupil placement process through which children of military families are not disadvantaged by variations in attendance requirements, scheduling, sequencing, grading, course content, or assessment.

(c) Facilitating the qualification and eligibility of children of military families for enrollment, educational programs, and participation in extracurricular academic, athletic, and social activities.

(d) Facilitating the on-time graduation of children of military families.

(e) Providing for the promulgation and enforcement of administrative rules implementing the provisions of the compact.

(f) Providing for the uniform collection and sharing of information between and among member states, schools, and military families pursuant to the compact.

(g) Promoting coordination between the compact and other compacts affecting military children.

(h) Promoting flexibility and cooperation between the educational system, parents, and the pupil in order to achieve educational success for the pupil.

(3) Veterans of the uniformed services, except as provided in Section A; and

(4) Other U.S. Dept. of Defense personnel and other federal agency civilian and contract employees not defined as active duty members of the uniformed services.

Article IV. Educational Records and Enrollment

(A) Unofficial or “hand-carried” education records – In the event that official education records cannot be released to the parents for the purpose of transfer, the custodian of the records in the sending state shall prepare and furnish to the parent a complete set of unofficial educational records containing uniform information as determined by the Interstate Commission to the extent feasible. Upon receipt of the unofficial education records by a school in the receiving state, the school shall enroll and appropriately place the student based on the information provided in the unofficial records pending validation by the official records, as quickly as possible.

(B) Official education records/transcripts – Simultaneous with the enrollment and conditional placement of the student, the school in the

receiving state shall request the student's official education record from the school in the sending state. Upon receipt of this request, the school in the sending state will process and furnish the official education records to the school in the receiving state within ten (10) days or within such time as is reasonably determined under the rules promulgated by the Interstate Commission to the extent practicable in each case.

(C) Immunizations – Compacting states shall give thirty (30) days from the date of enrollment or within such time as is reasonably determined under the rules promulgated by the Interstate Commission, for students to obtain any immunization(s) required by the receiving state. (D) Kindergarten and First (1st) grade entrance age – Students shall be allowed to continue their enrollment at grade level in the receiving state commensurate with their grade level (including Kindergarten) from a local education agency in the sending state at the time of transition, regardless of age. A student that has satisfactorily completed the prerequisite grade level in the local education agency in the sending state shall be eligible for enrollment in the next highest grade level in the receiving state, regardless of age. A student transferring after the start of the school year in the receiving state shall enter the school in the receiving state on his or her validated level from an accredited school in the sending state.

Article V. Placement and Attendance

(A) Course placement – When the student transfers before or during the school year, the receiving state school shall initially honor placement of the student in educational courses based on the student's enrollment in the sending state school and/or educational assessments conducted at the school in the sending state if the courses are offered and there is space available, as determined by the school district. Course placement includes, but is not limited to, Honors, International Baccalaureate, Advanced Placement, vocational, technical and career pathways courses. Continuing the student's academic program from the previous school and promoting placement in academically and career challenging courses should be paramount when considering placement. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course(s).

(B) Educational program placement – The receiving state school shall initially honor placement of the student in educational programs based on current educational assessments conducted at the school in the sending state or participation/placement in like programs in the sending state, provided that the program exists in the school and there is space available, as determined by the school district. Such programs include, but are not limited

to: 1) gifted and talented programs; and 2) English as a second language (ESL). This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.

(C) Special education services – 1) In compliance with the federal requirements of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C.A. Section 1400 et seq., the receiving state shall initially provide comparable services to a student with disabilities based on his/her current Individualized Education Program (IEP); and 2) In compliance with the requirements of Section 504 of the Rehabilitation Act, 29 U.S.C.A. Section 794, and with Title II of the Americans with Disabilities Act, 42 U.S.C.A. Sections 12131-12165, the receiving state shall make reasonable accommodations and modifications to address the needs of incoming students with disabilities, subject to an existing Section 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.

(D) Placement flexibility – Local education agency administrative officials shall have flexibility in waiving course/program prerequisites, or other preconditions for placement in courses/programs offered under the jurisdiction of the local education agency.

(E) Absence as related to deployment activities – A student whose parent or legal guardian is an active duty member of the uniformed services, as defined by the compact, and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be granted additional excused absences at the discretion of the local education agency superintendent to visit with his or her parent or legal guardian relative to such leave or deployment of the parent or guardian.

Article VI. Eligibility

(A) Eligibility for enrollment

(1) Special power of attorney, relative to the guardianship of a child of a military family and executed under applicable law, shall be sufficient for the purposes of enrollment and all other actions requiring parental participation and consent.

(2) A local education agency shall be prohibited from charging local tuition to a transitioning military child placed in the care of a noncustodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent.

(3) A transitioning military child, placed in the care of a noncustodial parent or other person standing in loco parentis, who lives in a jurisdiction other than that of the custodial parent, may continue to attend the school in which he/she was enrolled while residing with the custodial parent.

(B) Eligibility for extracurricular participation – State and local education agencies shall facilitate the opportunity for transitioning military children’s inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified and space is available, as determined by the school district.

Article VII. Graduation

In order to facilitate the on-time graduation of children of military families, states and local education agencies shall incorporate the following procedures:

(A) Waiver requirements – Local education agency administrative officials shall use best efforts to waive specific courses required for graduation if similar coursework has been satisfactorily completed in another local education agency or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the local education agency shall use best efforts to provide an alternative means of acquiring required coursework so that graduation may occur on time.

(B) Exit exams – States shall accept: 1) exit or end-of-course exams required for graduation from the sending state; or 2) national norm-referenced achievement tests; or 3) alternative testing, in lieu of testing requirements for graduation in the receiving state; or 4) in California, the passage of the exit examination adopted pursuant to Section 60850 is required for the student to graduate if the diploma is to be issued by a California public school, as long as it is a requirement in California. In the event the above alternatives cannot be accommodated by the receiving state for a student transferring in his or her Senior year, then the provisions of Section C of this Article shall apply.

(C) Transfers during Senior year – Should a military student transferring at the beginning or during his or her Senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the sending and receiving local education agencies shall make best efforts to ensure the receipt of a diploma from the sending local education agency, if the student meets the graduation requirements of the sending local education agency. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student in accordance with Sections A and B of this Article.

Article VIII. State Coordination

(A) (1) Each member state shall, through the creation of a State Council or use of an existing body or board, provide for the coordination among its agencies of government, local education agencies and military installations concerning the state’s participation in, and compliance with, this compact

and Interstate Commission activities. While each member state may determine the membership of its own State Council, its membership must include at least: the state superintendent of education, superintendent of a school district with a high concentration of military children, representative from a military installation, one representative each from the legislative and executive branches of government, and other offices and stakeholder groups the State Council deems appropriate. A member state that does not have a school district deemed to contain a high concentration of military children may appoint a superintendent from another school district to represent local education agencies on the State Council.

(2) In California, members of the State Council shall include all of the following:

- (f) The Secretary for Education or his or her designee.

(2) In California, the State Superintendent of Public Instruction shall appoint the compact commissioner.

(D) The compact commissioner and the military family education liaison designated herein shall be ex-officio members of the State Council, unless either is already a full voting member of the State Council.

Article IX. Interstate Commission on Educational Opportunity for Military Children

The member states hereby create the "Interstate Commission on Educational Opportunity for Military Children." The activities of the Interstate Commission are the formation of public policy and are a discretionary state function. The Interstate Commission shall:

(A) Be a body corporate and joint agency of the member states and shall have all the responsibilities, powers and duties set forth herein, and such additional powers as may be conferred upon it by a subsequent concurrent action of the respective legislatures of the member states in accordance with the terms of this compact.

(B) Consist of one Interstate Commission voting representative from each member state, who shall be that state's compact commissioner.

(1) Each member state represented at a meeting of the Interstate Commission is entitled to one vote.

(2) A majority of the total member states shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the Interstate Commission.

(3) A representative shall not delegate a vote to another member state. In the event the compact commissioner is unable to attend a meeting of the Interstate Commission, the Governor or State Council may delegate voting authority to another person from their state for a specified meeting.

(4) The bylaws may provide for meetings of the Interstate Commission to be conducted by telecommunication or electronic communication.

(C) Consist of ex-officio, nonvoting representatives who are members of interested organizations. Such ex-officio members, as defined in the bylaws, may include, but not be limited to, members of the representative organizations of military family advocates, local education agency officials, parent and teacher groups, the U.S. Department of Defense, the Education Commission of the States, the Interstate Agreement on the Qualification of Educational Personnel and other interstate compacts affecting the education of children of military members.

(D) Meet at least once each calendar year. The chairperson may call additional meetings and, upon the request of a simple majority of the member states, shall call additional meetings.

(E) Establish an executive committee, whose members shall include the officers of the Interstate Commission and such other members of the Interstate Commission as determined by the bylaws. Members of the executive committee shall serve a one year term. Members of the executive committee shall be entitled to one vote each. The executive committee shall have the power to act on behalf of the Interstate Commission, with the exception of rulemaking, during periods when the Interstate Commission is not in session. The executive committee shall oversee the day-to-day activities of the administration of the compact, including enforcement and compliance with the provisions of the compact, its bylaws and rules, and other such duties as deemed necessary. The U.S. Dept. of Defense shall serve as an ex-officio, nonvoting member of the executive committee.

(F) Establish bylaws and rules that provide for conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

(G) Public notice shall be given by the Interstate Commission of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission and its committees may close a meeting, or portion thereof, where it determines by two-thirds vote that an open meeting would be likely to:

- (1) Relate solely to the Interstate Commission's internal personnel practices and procedures;
- (2) Disclose matters specifically exempted from disclosure by federal and state statute;
- (3) Disclose trade secrets or commercial or financial information which is privileged or confidential;
- (4) Involve accusing a person of a crime, or formally censuring a person;
- (5) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
- (6) Disclose investigative records compiled for law enforcement purposes;

or

- (7) Specifically relate to the Interstate Commission's participation in a civil action or other legal proceeding.

(H) For a meeting, or portion of a meeting, closed pursuant to this provision, the Interstate Commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exemptible provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefor, including a description of the views expressed and the record of a roll call vote. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Interstate Commission.

(I) The Interstate Commission shall collect standardized data concerning the educational transition of the children of military families under this compact as directed through its rules which shall specify the data to be collected, the means of collection and data exchange and reporting requirements. Such methods of data collection, exchange and reporting shall, in so far as is reasonably possible, conform to current technology and coordinate its information functions with the appropriate custodian of records as identified in the bylaws and rules.

(J) The Interstate Commission shall create a process that permits military officials, education officials and parents to inform the Interstate Commission if and when there are alleged violations of the compact or its rules or when issues subject to the jurisdiction of the compact or its rules are not addressed by the state or local education agency. This section shall not be construed to create a private right of action against the Interstate Commission or any member state.

Article X. Powers and Duties of the Interstate Commission

The Interstate Commission shall have the following powers:

- (A) To provide for dispute resolution among member states.
- (B) To promulgate rules and take all necessary actions to effect the goals, purposes, and obligations as specifically set forth in Articles IV, V, VI, and VII of this compact. The executive director shall hire and supervise such other persons as may be authorized by the Interstate Commission.

(D) The Interstate Commission's executive director and its employees shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of Interstate Commission employment, duties, or responsibilities; provided, that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(1) The liability of the Interstate Commission's executive director and employees or Interstate Commission representatives, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. The Interstate Commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(2) The Interstate Commission shall defend the executive director and its employees and, subject to the approval of the Attorney General or other appropriate legal counsel of the member state represented by an Interstate Commission representative, shall defend such Interstate Commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error or omission that occurred within the scope of Interstate Commission employment, duties or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(3) To the extent not covered by the state involved, member state, or the Interstate Commission, the representatives or employees of the Interstate Commission shall be held harmless in the amount of a settlement or judgment, including attorney's fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willfull and wanton misconduct on the part of such persons.

Article XII. Rulemaking Functions of the Interstate Commission

(A) Rulemaking Authority—The Interstate Commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of this compact, as specifically set forth in Articles IV, V, VI, and VII. Notwithstanding the foregoing, in the event the Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the specific matters set forth in Articles IV, V, VI, and VII of this Act, or the powers granted hereunder, then such an action by the Interstate Commission shall be invalid and have no force or effect.

(B) Rulemaking Procedure – Rules shall be made pursuant to a rulemaking process that substantially conforms to the “Model State Administrative Procedure Act,” of 1981, Uniform Laws Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate to the operations of the Interstate Commission.

(C) Not later than thirty (30) days after a rule is promulgated, any person may file a petition for judicial review of the rule; provided, that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Interstate Commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the Interstate Commission's authority.

(D) If a majority of the legislatures of the compacting states rejects a Rule by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

Article XIII. Oversight, Enforcement, and Dispute Resolution

(A) Oversight

(1) The executive, legislative and judicial branches of state government in each member state shall enforce this compact, and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent.

The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the Interstate Commission.

(3) The Interstate Commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of process to the Interstate Commission shall render a judgment or order void as to the Interstate Commission, this compact or promulgated rules.

(B) Default, Technical Assistance, Suspension and Termination – If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall:

(1) Provide written notice, to the defaulting state and other member states, of the nature of the default, the means of curing the default and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default.

(2) Provide remedial training and specific technical assistance regarding the default.

(3) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

(4) Suspension or termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Interstate Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(5) The state which has been suspended or terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of suspension or termination including obligations, the performance of which extends beyond the effective date of suspension or termination.

(6) The Interstate Commission shall not bear any costs relating to any state that has been found to be in default or which has been suspended or terminated from the compact, unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

(7) The defaulting state may appeal the action of the Interstate Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Interstate Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(C) Dispute Resolution

(1) The Interstate Commission shall attempt, upon the request of a member state, to resolve disputes which are subject to the compact and which may arise among member states and between member and nonmember states.

(2) The Interstate Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(D) Enforcement

(1) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its principal offices, to enforce compliance with the provisions of the compact or its promulgated rules and bylaws against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Interstate Commission. The Interstate Commission may avail itself of any other remedies available under state law or the regulation of a profession.

Article XIV. Financing of the Interstate Commission

(A) The Interstate Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization and ongoing activities.

(B) The Interstate Commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the Interstate Commission and its staff which must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states.

(C) The Interstate Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the member states, except by and with the authority of the member state.

(D) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

Article XV. Member, States, Effective Date and Amendment

(A) Any state is eligible to become a member state.

(B) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than ten (10) of the states. The effective date shall be no earlier than December 1, 2007. Thereafter it shall become effective and binding as to any other member state upon enactment of the compact into law by that state. The governors of non-member states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior to adoption of the compact by all states.

(C) The Interstate Commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the Interstate Commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

Article XVI. Withdrawal and Dissolution

(A) Withdrawal

(1) Once effective, the compact shall continue in force and remain binding upon each and every member state; provided that a member state may withdraw from the compact by specifically repealing the statute which enacted the compact into law.

(2) Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until one (1) year after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other member jurisdiction.

(3) The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other member states of the withdrawing state's intent to withdraw within sixty (60) days of its receipt thereof.

(4) The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

(5) Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

(B) Dissolution of Compact

(1) This compact shall dissolve effective upon the date of the withdrawal or default of the member state which reduces the membership in the compact to one (1) member state.

(2) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs

of the Interstate Commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

Article XVII. Severability and Construction

(A) The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

(B) The provisions of this compact shall be liberally construed to effectuate its purposes.

(C) Nothing in this compact shall be construed to prohibit the applicability of other interstate compacts to which the states are members.

Article XVIII. Binding Effect of Compact and Other Laws

(A) Other Laws

(1) Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with this compact.

(2) All member states' laws conflicting with this compact are superseded to the extent of the conflict.

(B) Binding Effect of the Compact

(1) All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the member states.

(2) All agreements between the Interstate Commission and the member states are binding in accordance with their terms.

(3) In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any member state, such provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.
